### Chapter 161

Every time aunt Su comes to the Su's house to get something, if Su Hua or Jiang Mei doesn't give it, she moves the old woman.

The old woman favors aunt Su's family. Anyway, the little son is right about everything.

Such an eccentric mother, Suhua has been suffering from headache all these years.

"Let dad talk to me." Su An'an smiled and said to Jiang Mei, "Auntie, you let me give Gu Mocheng to Su ya. Does dad know?"

How could su Hua agree with Jiang Mei's pale face?

Suan, he doesn't like it anymore, is his own daughter.

Suya is not his daughter!

"If my aunt wants to introduce Su ya to her, I'd better let Mu Jinyu out. Su Ya is better than Zihan's sister. She can help Zihan's sister to hold the man's heart." Su An'an suggested coldly.

Jiang Meisheng was afraid that this sentence would be heard by Aunt su er. Su Ya is not as beautiful as Su Zihan, but her ability of playing soft and weak is not lost to Jiang Mei. If Su Ya is willing to compete with Su Zihan for mu Jinyu, she will definitely win.

"Ann, you are so selfish." "Jiang Mei blames for Aunt Su," your two aunts

and Yaya are for you. How can you be ungrateful

Thank you!

Su An'an watched the time and talked with them almost here. Gu Mocheng downstairs said that Su Hua had finished talking about her sister.

"Purple Han elder sister's clothes don't suit me, elegant you slowly pick." With that, Suan started to leave the room.

Suya comes forward and stops her way.

"Ann, I like Mr. Gu. Give me a chance."

Listening to Suya's affectionate confession, she really wanted to pry open her brain.

This brain is not bad, Gu Mocheng is his husband. Just because Suya likes it, she has to give her husband.

"No." Suan said, "Ya Ya, Gu Mocheng is my husband. Please make it clear."

"If you want to be his junior, it depends on whether I want to give you this chance."

Su Ya bit her lips. If she didn't really like Gu Mocheng, she would not have the cheek to bring her mother to Su's house.

"Ann, Mr. Gu and you are not married." Said Suya.

Su'an is not of legal age, and Gu Mocheng has no ability to prove, and su'an and Gu Mocheng have no wedding ceremony.

"So that?" Su an an hooked up and smiled.

"So, you have a chance to marry Gu Mocheng and be his wife." 'continued Suan.

Su'an said that aunt su'er's eyes brightened. She and Su Ya didn't have the right idea.

"With me, Yaya, where can you get close to Gu Mocheng? Or do you think I'll be foolish enough to give up Gu Mocheng as such a big cash cow. "

"Suan!" Aunt Su was so angry that she bit her teeth and hated her. She was not Jiang Mei. Considering the face of Jiang's family, she had to bear to hate su'an again.

Aunt Su's temper came from her own. When she said something that made her angry, she began to fight.

How could su'an be beaten by Aunt su'er? She took a step aside and pushed forward Su Ya in front of her by the way.

Unlucky Suya was slapped by her mother.

Aunt su'er has great hopes for Su ya to marry into a rich family. She never touched her finger. Now she saw that she had failed to fight su'an, instead, she beat su'ya, and she immediately became more angry.

"Su An'an, if you don't help Yaya and don't talk about it, it's too much." Said Aunt Su angrily.

Jiang Mei watched Auntie Su give Su an a go. She found a seat beside her and went to the theatre with a smile in her eyes.

It's right to find aunt su'er and Su ya. If you can't fight with Su Zihan, you

can use others' hands.

Suya inexplicably got a slap from her mother. Her tears came out and she stood there choking.

Su Ya cried out, and aunt Su was very distressed. "You have a wild seed that your mother has not taught. I have to clean you up today!"

"Wild?" The name made Suan frown.

"Second aunt, put your mouth clean for me."

"Wild seed, you are a wild seed!" The second aunt Su came to Su Anan. She was very clear about Su Hua's ex-wife. Su'an was not necessarily a kind of Su Hua.

"Your mother doesn't want to be shamed. She's cheating! You're not a wild seed, Suan Aunt Su scolded hard and wished she could tell everything about her mother.

"How did my mother steal?" Asked Suan in a cold voice. "Keep my mouth clean!"

Most of su'an knows about her mother from Su ruocheu. Su Hua doesn't like to be mentioned about his ex-wife. Su an heard about stealing from old lady Su once. But that time, Suhua was also there.

Su Hua, who has always listened to old lady Su's words, lifted the table on the spot, scaring her away from saying "stealing people and wild seeds".

Now I hear from Aunt su er that Su An'an remembers Su Hua's attitude towards herself all the time. She has reason to doubt whose daughter she

is!"Who did she steal? How to steal. " Suan calmed down and asked in a cold voice.

Su Hua won't tell her about her mother, so now she knows something from Aunt su er's mouth.

"I" aunt Su Yusai, she didn't know.

Aunt su er knew about her mother's stealing from the old woman.

The old woman in the four granddaughters of the most painful is Suya, the most hated Suan. Every time she mentions suan'an, she says she is a broom star and a wild species.

"Second aunt, there's no evidence that you can't bite like a dog."

"You bastard, who is the dog?" Su er's aunt was irritated by Su an. She pointed at Su an and shouted, "Su an, if you were not a wild seed, would Su Hua want to throw you away when your mother died?"

"You are the green hat your mother gave him." Cried aunt su.

She was different from Jiang Mei. She started a fire and spoke softly. She had to suppress her voice.

Aunt Su's voice went through the door of the room to the living room downstairs.

She scolded vigorously, that is to find out the worst words to scold Suan and her mother.

"Hum, don't really think it's the daughter of the Su family. You're a wild seed

that nobody wants!" Aunt Su shouted, "what are you? I want you to let Gu Mocheng out to save face for you. Otherwise, the Su family will drive you out and make you miss Qianjin unable to do it."

"Sister in law." Aunt Su said too much, and Jiang Mei had to get up and persuade her.

What Jiang Mei wants is for Aunt su er to scold Su An'an and force him to create opportunities for Su Ya and Gu Mocheng to be alone. But she didn't let aunt su er scold her mother for everything.

Su Hua has two taboos, one is his crazy eldest daughter, the other is his dead wife.

Many people said that Suhua was merciless and ungrateful. For his own benefit, he was angry and married the young lady of the Jiang family.

Only Jiang Mei knew that there was only one dead person in Suhua's heart these years, and he had no feelings for her at all.

"Sister in law, all right." Jiang Mei comes to the front and lasha's second aunt is scolding hard. She pushes Jiang Mei to the ground with a wave of her hand.

Su Ya sees that Aunt su er pushes Jiang Mei, and then sees her mother scolding like a shrew. She rushes forward and cries, "Mom, don't scold Ann."

Aunt su er turned to look at Su ya, who was crying. She followed her red eyes and said, "my ya, don't worry, mom is angry for you."

## Chapter 162

The room was messy, crying and scolding. Jiang Mei was pushed to the ground by Aunt su er.

Su Hua stood at the door, his eyes cold and cold looking at the people inside.

Jiang Mei noticed his appearance, immediately got up from the ground, walked to Suhua and said, "my husband, I didn't take care of An'an, so she started to fight Yaya."

Jiang Mei's explanation clearly told Su Hua that it was su'an who started to beat Su ya, and then let su er's aunt yell at su'an.

Standing behind Su Hua is Gu Mocheng. Gu Mocheng is not sure that Su an follows him upstairs. He doesn't expect to hear aunt su er scold an for "wild seed" one by one.

He went through Suhua's side and came to suan'an.

"Husband." Suan raised her head and called him.

Su'an didn't want to cry, but when she saw Gu Mocheng, she felt wronged, and then tears came out.

"You little bitch, how can you pretend to be weak, how can you cry?" Su An'an cried. Aunt Su saw her tears and scolded angrily.

"Mr. Gu, it was suan'an who first attacked my Yaya."

"Yaya in our family is a good girl. Look at her face. What did she look like when she was beaten by suan'an?" As aunt Su said this, she took Suya to Gu Mocheng.

Gu Mocheng's face is calm. There are indeed five finger marks on Suya's

face. She bites her lower lip and stares at Gu Mocheng with tears in her eyes.

"Mr. Gu." When she spoke, tears came out of her eyes. How much grievance there is, how much grievance there is.

Gu Mocheng's face was cold. When he raised his hand, aunt Su thought that Gu Mocheng was going to beat su'an to be angry for her elegance. When she was happy, she heard a crisp slap, and then saw that Su Ya beside her was firmly slapped by Gu Mocheng.

"Since Ann hit her, she should."

"As her husband, I have to teach Ann how to beat this man." Gu Mocheng said coldly, and the chill on his body scared aunt su'er to the spot.

Gu Mucheng follows him downstairs with his arms around su'an.

Aunt Su watched Gu Mocheng and Su'an go away, and followed the reaction.

She looked at the deep slap print on Suya's face and cried out, "the bloody one who killed thousands of swords has hit our family Yaya so hard."

"It's su'an who beat people first. Why should we beat Ya'an in our family?"

Aunt Su cried louder and louder. She didn't care how ugly Suhua's face was.

If she hadn't been advised by Suya, she would have rolled on the ground and let Suhua make up her mind.

Jiang Mei looked at the mess of the room, and then at Su Hua's face. She was afraid.

"Go away!" Su Hua said coldly, "get out of the Su family."

Aunt Su was stunned and cried, "Suhua, your daughter hit me. Instead of teaching her a lesson, you let me go."

"It's useless for your brother. He has been working as a manager in sushi for so many years. We all depend on you. You let us roll, we can only roll. "

"My elegance is so pitiful that I have to swallow it after being bullied."

Su Ya is upset by su er's aunt crying. Although her mother is very tight to protect her, Jiang Mei is not on the table.

Aunt Su is very responsible for this.

"Mom, let's go home." Su advised.

"No, I will not." Su er's aunt simply sat on the ground and said, "his daughter beat ya ya, and she has to fight back."

"Gu Mocheng has the power and power. They bully our honest people when they have money."

Seeing that Aunt su er didn't know how to play, Su Ya talked about Gu Mocheng, and she even pulled aunt su er up.

"I repeat, get out of the Su family." Su Hua was holding back his anger. His eyes became cold and cold, which made aunt Su shudder.

Aunt Su got up from the ground crying. She wiped her tears and snivels with her shawl.

"I'll hear the word wild seed later. You know what the consequences are." Su Hua threatens aunt su'er with a gloomy voice.

Aunt Su didn't dare to scold her again. She saw Su Hua's cruel eyes and knew that she had said something wrong.

When they went downstairs, they saw that Gu Mocheng was holding su'an and talking. Gu Mocheng looked at them with cold eyes. Su Ya covered her face, which was so hot and painful that she couldn't speak out. She walked away from Su's house quickly and wrongly.

Seeing that Suya is gone, aunt Su quickly follows her. "Yaya, wait for me."

Su Zihan's room is left with Su Hua and Jiang Mei. Jiang Mei smiles. "I'm sorry, husband. I didn't know that sister-in-law doesn't understand the rules."

"It's you who don't understand the rules." Su Hua said in a cold voice. He raised his hand and waved it to Jiang Mei's face.

"You know where my bottom line is!" Su Hua said with a gloomy face.

Aunt Su succeeded in provoking the anger hidden in his heart and reminding him of those things he didn't want to think of. "Husband, I" Jiang Mei cried out, her soft voice called.

"Put away your tears. It makes me sick to look hypocritical." Su Hua said angrily.

He has no feelings for Jiang Mei. Jiang Mei is very clear in her heart. She once thought that she had become Mrs. Su and successfully pushed that woman away from Suhua's heart. Only later did she know that a man doesn't love you. It's no use pretending to be weak and aggrieved.

"Suhua, what did I do wrong? You should do this to me!" Jiang Mei asked with tears in her eyes.

Suhua grabbed her hand and said in a cold voice, "wild seed! Who taught her these two words? Don't chew the tongue in my mother's ear. "

"But suan'an is a wild species." Jiang Mei sneered.

"Sister, she betrayed you." She added without fear of death.

Su Hua cold Mou son, his hand did not hit her again, but reach out to catch her neck.

"I'll hear it again."

His voice was cold and slow. Jiang Mei was scared. She felt that her neck was really pinched by Suhua.

As long as Su Hua works harder, she will die.

Su Hua uses his strength and Jiang Mei beats him in fear. He suddenly sneered and pushed Jiang Mei to the ground.

Jiang Mei fell on the ground and coughed bitterly. She watched Suhua tidy up her clothes and was afraid of him.

This is not the first time for Suhua to see her.

When Suhua finished dressing, he turned around and smiled.

Where did Jiang Mei dare to call Su Hua? Today's biggest mistake was that

Aunt su er scolded Su an for "wild seed".

Wild seed! Su'an is not a wild species, Su Hua admits, otherwise how could it be so bad for su'an for so many years.

However, Su Hua didn't want to admit it. He couldn't hear others saying that his ex-wife had betrayed him.

Su Hua went downstairs and walked to Gu Mocheng and Su an with a smile.

"I'm sorry, Mr. Gu. I just told you a joke."

Su Hua's words took the previous events. He talked with Gu Mocheng with a smile on his face. There was no coldness to Jiang Mei just now.

When he spoke, he looked at suan'an, who was red eyed. There was more coldness in his eyes.

"Ann is all right." Gu Mocheng takes Su Hua's words lightly.

Just now, Gu Mocheng heard what aunt Su said.

Su'an didn't say much to him when he went downstairs. He just hugged him sadly.

The word "wild seed" hurt Ann's heart.

Maybe, suan'an is not Suhua's daughter!

"If anyone deceives ANN, I will repay him a hundred times and a thousand times." Gu Mocheng said that no matter who Ann's daughter is, it has nothing to do with him.

"Ann is my wife."

## Chapter 163

It's about him.

Su Hua understood the meaning of Gu Mocheng's words. He smiled and said, "An'an, it's really her good fortune to have Mr. Gu protect her."

He said this from the bottom of his heart, without half falsehood.

"Mr. Su, how about we talk about a deal?" When Gu Mocheng said that, suan'an raised his head and stared at him. He looked down at her and held her hand in the palm of his hand.

"I'll add 30 million yuan to Su's project." After Gu Mocheng finished, Su Hua said happily, "Mr. Gu, what's the point?"

Su Hua said sorry, but in his heart, he wished Mo Cheng could put the money in quickly.

There is no free lunch in the world. Su Hua then asked, "what can I do for Mr. Gu?"

"I will not interfere in Ann's affairs in the future."

Gu Mocheng looks at Su Hua with a light sneer. He protects him. He doesn't want Su Hua to intervene in su'an's affairs.

He clenched su'an's hand, as if unintentionally mentioning, "Ann and her sister have a good relationship. I want to take care of her."

This elder sister, Su Hua clearly refers to "Su ruocheu". Su Hua didn't expect that Su an and Gu Mocheng were so good that they told him all about Su ruocheu.

His face was suddenly bad. He wanted to accuse su'an of telling Gu Mocheng about Su ruocheu, and then he thought of Gu Mocheng's money.

"I have to ask the Mojia about it." Su Hua said it on purpose.

Gu Mocheng's "elder sister" is called "Su Zihan".

Gu Mocheng was not in a hurry. He replied quietly, "Su always knows who I am talking about?"

"Ask Ann's sister to come and look after the house. Just ask you."

"Of course, we have to ask Mu's family. Zihan just married to Jinyu. Mu's family doesn't agree. I don't want Zihan to stay at home for a while." Su Hua, playing Tai Chi, described Su ruocheu as Su Zihan.

"In my heart, I have only one elder sister," she said in a voice

"Su ruocheu is my sister."

The smile on Suhua's face couldn't hang. He looked at Suan with a pale face.

There is Gu Mocheng. Even if Su Hua is angry with Su an, he dare not attack her.

"Mr. Su, you understand what an means." Gu Mocheng said in a cold voice.

"30 million for Su ruocheu."

Su Hua is stunned and laughs, "30 million? Does Mr Gu think I'm in the business of selling my daughter? "

"Isn't it?" Gu Mocheng retorted.

"I always thought Mr. Su was in the business of selling his daughter," he sneered

Su Hua replaces Su Zihan with Su An'an and forces Su an to persuade him to invest in Su's project. What Suhua did to suan'an is not to sell her daughter?

"It's not the same." Suhua said. "How can Ann be the same as ruozu?"

Su Hua's words remind Su an of the word "wild seed" in aunt su er's mouth. Her heart aches for not being cared about by Su Hua.

However, the pain was quickly replaced by the warmth of Gu Mocheng's palm. Su an smiled at him and told her that she was good.

Suhua doesn't think of her as a daughter, and she doesn't think of him as her own father. So what does Suhua have to do with what she says. She has enough of Gu Mo's achievements.

"Su always says that, is not willing to give Su ruocheu to me." Asked Gu Mocheng.

Su Hua doesn't want to hand over Su ruocheu. He has a real father daughter relationship with Su ruocheu. Over the years, Su ruocheu has gone mad. On the one hand, he looks after his face and blocks the crazy things. On the other hand, he doesn't want Su ruocheu to live in a mental illness and let her be

bullied by others.

Suhua would rather lock her in the top floor, at least to ensure her food and clothing.

He gave Su ruocheu to Gu Mocheng, which means that he lost control of su'an. With this in mind, Suhua didn't want to give people away.

"Mr. Gu, where can a father give his sick daughter to others to take care of?" Su Hua said with a smile.

Gu doesn't care what Su Hua said. If Su Ruocheng, who is crazy, is locked in the top floor, he can see how selfish he is.

"So, Su always disagrees with the deal I said."

A large amount of money is put in front of Suhua. There's no reason why Suhua doesn't want it. Money is the most important thing for him now.

"Thirty million!" Su Hua chuckled and said.

He is too few!

"Mr Gu, let me think about it." When Su Hua said this, he ma, who was walking down the stairs on the second floor, followed him and said, "Mr. Gu, let's go to the restaurant and have dinner first."

When su'an and Gu Mocheng came, they were prepared to know that Su Hua would not easily hand over Su ruocheu for 30 million yuan.

However, in the face of the crisis, Su needs the support of Gu Mocheng.

"Mr. Su, today is 30 million. I'm afraid half of it will be gone tomorrow." Gu Mocheng said in a low voice, the threat Su Hua could hear.

"Mr. Gu, have a meal first." Su Hua said with a smile. Gu Mocheng said what he had to say, not hastily urging Suhua. Suhua really needs time to think about it.

For dinner, Suhua prepared many delicacies for Gu Mocheng.

During the meal, Su Hua asked the servant to call Jiang Mei downstairs. Jiang Mei made up her makeup and smiled gracefully. When she saw Su Hua in the restaurant, she thought of his grim eyes and her hands shaking.

"Eat." Su Hua said with a smile, forgetting that he wanted to strangle Jiang Mei.

Jiang Mei smiles. When she sees Gu Mocheng and Su An'an, her eyes are colder.

For Zihan, she had to break up Gu Mocheng and su'an.

This dinner was accompanied by Gu Mocheng, and Su Anan enjoyed it very much. Su Hua is very polite to Gu Mocheng, but he didn't come in to try to please him deliberately. Instead, he really regarded Gu Mocheng as his son-in-law.

After they had supper, Su an offered to go to the top floor to have a look. Su Hua refused Su an's request with a smile for the reason that Su Ruo had fallen asleep.

Su An'an wanted to meet her elder sister with Gu Mo's prejudice and let her see the man she liked.

Suhua disagreed. She thought that her sister would be with her soon anyway. She was not in a hurry, so she didn't ask for any more.

After Gu Mocheng and su'an left Su's house, Su Hua returned to the living room with cold face.

Jiang Mei follows him and sees Su Hua's ruthless side. She is afraid of him.

"Master." When he ma, the servant, saw that su'an and Gu Mocheng were gone, she hurriedly came out to Su Hua's side.

"What's the matter?" Su Hua noticed something wrong when he ma came down from the second floor carefully before eating.

Just now, su'an and Gu Mocheng were together. He couldn't ask what happened to he ma.

If anything happens upstairs, su'an will let Gu Mocheng forcibly take Su ruocheu away.

Although he ma looks anxious, she doesn't make a sound immediately. She whispers, "the eldest lady is gone."

Su Hua heard that his smoking stopped and looked at he ma in surprise.

"What is missing?"

He Ma was so worried and scared that she took a step back. "In the afternoon, I went upstairs to see the eldest lady. There was no one in the room."

When Su Hua heard this, his face was taut and he asked sharply, "no one?"

You're trying to tell me she's not on the roof! "

Su Hua's last words were almost said with his teeth clenched. He pinched the cigarette end in his hand and said to his mother in hate, "no one! Why can't we talk about it until now. "

Speaking, Suhua couldn't sit on the sofa properly at all. He stood up and walked upstairs quickly.

## Chapter 164

Jiang Mei is going downstairs to the living room. Seeing the look on Su Hua's face, she looks at he ma, who is panicked and scared. She feels that the event is not good. She also goes up with Su Hua.

The top floor is as quiet as before. When Su Hua and Jiang Mei enter Su ruocheu's room, it is empty without Su ruocheu's figure.

Su Hua is eager to find it in the room, under the bed and in the cabinet, but there is no su ruocheu he wants to see.

"Man!" Su Hua angrily asks Xiang He ma.

He ma cried in fear. "I don't know."

"After lunch, Dr. Han came to see the eldest lady as usual. He left an hour later carrying a big box. I didn't see the big lady when I went upstairs after the meeting. "

"After lunch?" Su Hua stares at he ma coldly. "It's the one who didn't have after noon. You can't tell me until now."

As she said this, Suhua turned around and hit his mother in the face.

He Ma was slapped by Suhua last time, but the injury on her face was not good. This time, Suhua beat her cheeks blue and blue, and her mouth was bleeding.

"Master, I didn't mean it."

"It's because of the eldest lady," he ma cried, kneeling in front of Su Hua and saying her grievance.

"Last time the first lady disappeared, she didn't run out by herself." He ma cried and said, "this time there is no one left. I thought it would appear as before, so I didn't dare to tell you."

He Ma was scared by one of Su Hua's slaps last time, so when she entered the room, she found that Su ruocheu was missing. She didn't tell Su Hua as hurriedly as before, but waited for Su ruocheu to appear.

But this time, unlike the last time, she waited for an afternoon without seeing Su ruocheu's appearance. He ma didn't want to talk to Suhua until she had supper.

At that time, Suhua was talking to su'an and Gu Mocheng again, so she had to wait.

She's really not to blame for all this!

"You slapped me last time because you didn't lose your elder sister and elder sister. So this time I'll wait." He ma cried and explained.

Su Hua sneers, "you blame me for beating you up!"

"No, I don't mean that." He ma cried and begged, "master, I know it's wrong. It's my disadvantage. Please forgive me this time."

Su Hua looks at the room without Su ruocheu's figure, and then looks down

at his mother crying for help. He is even more upset, and raises his foot and kicks his mother.

"I can't see anyone. What do I want you for?"

As she spoke, Suhua angrily went downstairs.

After su Hua left, he ma got up again from the ground. She knelt down to Jiang Mei's feet. "Madam, it's not my fault that you speak good words for me and the master."

"I don't know why she's gone."

Jiang Mei thought of her own experience in the evening, and then saw his mother's cheek sneer, "I can't do anything, I deserve to be beaten."

She doesn't have half sympathy for he ma. She is happy that someone has been beaten by Suhua.

"Madame, I've always listened to you. Last time I helped you with a fever. I opened the window as you said. I delayed to call the third lady on purpose. "

"Madam, for the sake of doing things for you, please help me to beg for the master and forgive me this time." He ma kneels in front of Jiang Mei and cries.

Jiang Mei is tired of listening. "Go away."

What about working for her? Su Hua is angry because of Su ruocheu. She dare not provoke him.

Jiang Mei finished, turned around and stepped on high heels and left the top floor to return to the room.

He ma kneels on the ground wrongfully, crying sadly.

Jiang Mei follows Su Hua downstairs. She asks cautiously, "if she disappeared at first, would it have something to do with An'an?"

Su Hua began to think the same. When Su an and Gu Mocheng came to the Su family, Su Ruocheng disappeared.

But then think about it. If it's really related to Gu Mocheng, why did Gu Mocheng propose to exchange 30 million yuan for suan'an.

"Or make a phone call to test Suan." Jiang Mei suggested.

Su Hua thought about it and refused, "no!"

If Su ruocheu's disappearance has nothing to do with ANN, then he made this call, which is equivalent to letting a lot of money flow out.

At that time, when su'an saw that he didn't have su ruocheu in his hand, how could he let Gu Mocheng invest in his project.

Su ruocheu is gone, so he has to stabilize su'an and let Gu Mucheng continue to invest in his project.

"Find someone to follow Ann." Suhua thought.

Su ruocheu runs away. All she can find in Ningcheng is su'an.

So if you look at suan'an, you can find Su ruocheu. He can't leave ruoshu alone.

Han longyi drives his car to a safe place. He gets out of the car and opens his trunk.

Last time I opened the big box, it was a pile of clothes. This time, Su ruocheu put them into the big box in front of him. Han longyi knows why Su ruocheu didn't leave the previous time, because in the last game, Su ruocheu's disappearance didn't attract his mother's attention and relaxed her vigilance. So when Han longyi left with a suitcase in his hand, he ma didn't pay much attention. When she went upstairs, she did not see Su ruocheu in the room. Thinking of the slap that Su Hua slapped last time, she thought that Su ruocheu would appear in the same period of time as the last time.

Unexpectedly, Su ruocheu really ran away this time.

Waiting for he Ma to realize this, Han longyi takes Su ruocheu away from the Su family. Su Hua sends people to find her. It's not easy to find her in Ningcheng, a city full of people.

"Miss Su." Han longyi opens the box and sees Su ruocheu curled up in a group. He calls out lovingly.

He reached out to help Su ruocheu. When he touched her wrist, his heart ached.

She was too thin. She touched his palm with her wrist, making him feel that he could break it with a slight fold.

"Thank you." Su ruochu said in a low voice.

She smelled the air outside. It was fresh and clean. It was really different from the one in the top floor room.

She got out of the box and straightened out her clothes.

I didn't know it was so cold outside. Her skirt couldn't cover the cold wind at all.

Han longyi looks at her lips Purple by the wind and takes off her coat.

Su ruocheu did not refuse, she smiled at Han longyi, "thank you."

Han longyi was fascinated by her sudden smile. When he saw Su ruocheu for the first time, he was amazed by her appearance and thought she was like a fairy. When she woke up, his contact made him feel like a poppy.

Knowing that she was poisonous, he could not help approaching her.

"Miss Su, do you have a place to go?"

Su Ruo is stunned at the beginning. She just thinks about it, not so much.

Go to Ann, no! Suhua knows she's gone. She must find someone to stare at Ann. She can only find ANN by herself.

"You're going to take me in." Su ruocheu is not questioning Han longyi, and she is sure that Han longyi wants to take her in.

She slightly raised her mouth and smiled, which made Han longyi's ears red.

In his thirties, he even felt that he was a young man who was just in love with others. He would blush and his heart would beat faster when he stood in front of his lover.

"I have a clinic in the street. If you don't mind, help me cook and take care of the patients."

"Good!" Su Ruo is ready for the first time.

She has no place to go. Han longyi is a good place to go.

Waiting for her to have money, she went to ask ah Sheng why he didn't make the appointment and left her alone.

Thinking of her first love, Su ruocheu's smile faded, and she lowered her head and became upset.

Han longyi looks at her and knows that her mood starts to fluctuate again. He takes Su ruocheu to the car and turns on the soothing music in the car.

A person who has been crazy for seven years suddenly wakes up, but will still fall into abnormal state again after being stimulated.

"Don't think too much." Han longyi says and holds Su ruocheu's hand.

Su ruocheu did not withdraw. He was a doctor and she was his patient.

She listened to him, closed her eyes and rested in the soothing music.

## Chapter 165

Gu Mocheng drives su'an back to his old house. When he arrives, he finds that su'an is asleep.

Seeing the little girl sleeping soundly, Gu couldn't bear to wake her up. He got out of the car first, and then opened the front passenger's door to lift her out of the car.

Su An'an opened her eyes vaguely and saw Gu Mocheng's face. She called out softly, "husband."

"Keep sleeping." After Gu Mocheng said that, Su An'an closed his eyes and went to sleep.

As long as Gu Mocheng is by her side, she feels comfortable and even sleepy.

When hearing aunt su er scold her for "wild seed", all she had in her heart was anger. After seeing Gu Mocheng, her tears came out.

She doesn't need to play a strong role in front of him. He is her support. When she is wronged, she can indulge in crying in his arms.

Suan likes the feeling.

Gu Mocheng watched her close her eyes, and there was a smile on the corner of her mouth.

As soon as they entered the house, they heard a taunt.

"Is it a broken leg or a lame one?"

Gu Ziming said with a smile, and was stared by Gu Mocheng and smiled.

Su'an was woken up by him. At the sight of Gu Ziming, she blushed sheepishly, but did not come down.

There is nothing wrong with being held by my husband!

"Er Shu, you two show your love and have to worry about my feelings. It will bring me bad."

Gu Ziming is waiting for su'an when he comes back.

Last time I talked with Suan about the racing competition, he wanted to know how Suan thought about it! But seeing his second uncle hugging su'an, he had no chance to ask!

"You are very bad." Gu Mocheng said lightly.

Su an an looks up at Gu Mocheng and says, "honey, let's go to bed."

"Well." Gu Mocheng nods.

Sleep? It's a colorful word, especially now it's quiet at night. Gu Ziming laughs, "uncle and aunt, you're teaching bad kids."

The child is referring to him!

Gu Mocheng glanced at him, hugged Suan and went upstairs directly.

When going upstairs, Gu Ziming made a pattern of steering wheel to suan'an. He opened his mouth and asked her silently, "how are you thinking?"

Suan ignored him. She won't go!

Recently, Fu Xin is in a very wrong state. Suan talks to her. She is always distracted.

"Xiaoxin, what's the matter with you?" Suan cares.

She thought of meeting Fu Xin at the door of Xiao's house and asked aloud, "Xiao Xin, when I saw you at Xiao's last time, were you dragged by my aunt?"

Fu Xin was stunned, but he didn't want Su an to see that scene.

She nodded. "Well."

"She wants me to marry." When Fu Xin said this, he smiled bitterly from the corner of his mouth.

Su An'an has an unruly father. Fu Xin's mother makes use of her for her position in Lu family.

Fu Wansheng is afraid of what she did wrong. He offended the Lu family and made himself unable to be Lu's wife.

"Marry!" Su an an is surprised way, she then smiled to smile, "marry who?"? Lu Heng? "

Su an an joked that she could not understand Fu Xin's mind more clearly, but Fu Xin didn't admit it.

"Ann, don't talk about it. He's my brother." Fu Xin stressed.

Su An'an doesn't believe Fu Xin's words. Lu Heng's eyes on Fu Xin are not those of his brother's eyes on his sister.

"Ann, my mother wants me to get married and leave the Lu family." Fu Xin said softly.

Su an is shocked. Fu Xin is the same age as her. If she had not been forced to use it by Suhua Wei, she would not have followed Gu Mocheng so early.

"You know, I've been living with my mother for years, relying on my uncle's support and care. Without uncle Lu, I can't even read a book. He wants me to marry or find a boyfriend, and my mother must be in favor. "

"Because you have someone else, it's impossible to be with Lu Heng." Su an takes Fu Xin's words in a low voice.

Fu Xin didn't respond. She held each other's hands and pinched her

fingernails into her palms.

"Xiaoxin, what do you think of yourself!"

On the surface, Fu Xin doesn't care about anything. He looks heartless, but he is more afraid of being abandoned than su'an.

She looked at suan'an and smiled. "It would be nice to have a man like Gu Mocheng."

Then she reached for Su an's hand and asked with a smile, "an an, let Gu Mocheng take me away."

Su An'an looked at Fu Xin's smile and felt inexplicably sad.

Fu Xin is always like this. He doesn't easily show others the wounds in his heart and likes to hide them.

"Good." Su'an replied, "then you have to be small and bring me tea and water. When I'm not happy, you have to call me."

"Shit!" Fu Xin scolded, "isn't this for you" "You are so cruel, Ann!"

"Ha ha." "I see you dare to rob my husband!" said Suan with a smile

Where dare Fu Xin? Su'an is so fierce. Gu Mocheng's hand was chopped by su'an before he touched it a few times.

As they were talking, Gu Ziming's voice came from behind, "he an, Fu Xiaoxin."

Su'an didn't respond. Fu Xin turned around to see Gu Ziming, took su'an's

hand and said anxiously, "An'an, run."

Su'an stood still. "Xiaoxin, it's OK."

Fu Xin looks at Su An'an, who is calm. Then he thinks that Gu Ziming is his nephew.

Gu Ziming is their younger generation. What else can they run.

Su'an said to Gu, "what can I do for you? Will your second uncle come to pick me up later and go back to the old house together? "

Hearing "Er Shu", Gu Ziming's face turned white, "he can use my Er Shu to threaten people."

"Then I'll tell your grandmother that you don't respect your elders." Said Suan.

"Don't use grandma to threaten me!" said Gu

"It's OK not to threaten you!" "Su an an an smiles," so call two aunts to listen! "

"Ann, he's your second aunt. I have to call her aunt Sheng." Fu Xin followed Su an's words and smiled at Gu Ziming.

Gu Ziming was annoyed by what they said. He used to be called su'an's "second aunt". He felt ashamed. Now he also called him Fu Xin's "aunt".

"You two are arrogant." Gu threatened.

"Su an an an smiles," have your two uncles pet, I am not arrogant also

difficult

She told the truth, which even Gu had to admit.

"I want to talk to you about something." Gu Ziming didn't say anything. Su an refused, "no!"

"Really not?" Fu Xin said to Ann, "Ann, the bonus is very high this time."

It's not surprising that Su an is upset with such a high bonus.

Besides, all the competitors are experts, which is a rare opportunity to improve their driving skills.

Su An'an is silent. Fu Xin knows that she is moved.

"Suan, if you beat me, I'll give you the locomotive." Gu Ziming took the opportunity to seduce.

Sue Ann settled down. "You give me three days to think about it. I'll think about it and give you an answer."

Gu Ziming smiled and said, "OK."

Su An'an, you must promise, or uncle Er will not see the good play.

After Gu Ziming finished, he whistled to su'an and Fu Xin, looking like he was flirting with them.

"Ann, if you're afraid that Gu Mocheng knows about your racing, don't go." Said Fu Xin.

Suan did not expect that she was very excited about the competition, and was afraid that Gu Mocheng would know that he would not want her.

"If I go racing, he doesn't want me, does it mean he doesn't love me enough?" Suan smiled and said bitterly that she suddenly wanted to know the answer.

She wanted to take advantage of this opportunity to try her place in Gu's heart.
